SUBJECT: **BOARD MOTION REGARDING PROTECTION OF EXISTING
TRAIL EASEMENTS**

On May 9, 2006, your Board directed the Department of Regional Planning, in consultation with Departments of Parks and Recreation and Public Works, to report within 45 days regarding the protection of trail easements during development project review. This report was to include a review of current processes as well as provide recommendations for ensuring that all existing trail easements are identified during the development review process.

Although a draft report has been prepared, additional information and recommendations are currently being incorporated into the report to comprehensively address your Board's motion. Therefore, a two-week time extension is requested to complete the report for your Board's review.

Should you have any questions or concerns, please contact me or Sorin Alexanian of my staff at (213) 974-6431. Our office hours are 7:30 a.m. to 6:00 p.m., Monday through Thursday. We are closed on Fridays.
